The advantages of this production:

- **Short commitment time**
- **A script in hand performance style**
- **Only 4 performances scheduled with possibility to extend if needed.**
- **A perfect play for new or returning members or those wanting a shorter time commitment.**
- **It is a powerful and fun play and we will provide training and skills that will be useful in future onstage or "in life" projects.**
- **A true ensemble piece that will form real connections through the retelling of the stories of 8 powerful women.**
- **Something amazing to be a part of.**

"This play burns with the generational energy of its characters, young and old. It reminds us - all women - of how much power we have in being ourselves." (June Oscar—former Aboriginal and Torres Straight Islander Social Justice Commissioner)

"A firestorm. A cultural milestone for Australian feminism. Their refusal to shut up is a dangerous thing." (Audrey Journal)

"This show changes lives. It pulls into the daylight so many of the issues women are dealing with, from equal pay to family violence, and joins the dots in a way we rarely get to see. Because it leaves women feeling not like victims, but powerful, I'M WITH HER is a game changer." (Anne Aly)
